Publication Requirements for M.S. (thesis) and Ph.D. Students
ECpE Student Services 2205 Coover Hall, Iowa State University Ames, Iowa 50011

Prior to final submission of your thesis or dissertation, please complete this form stating how you have fulfilled these requirements. Obtain your major professor’s approval and submit completed form to the Graduate Secretary in 2205 Coover. Following approval by the Director of Graduate Education, a copy will be placed in your mailbox.

Name: ___________________________ Email: ___________________________

Last name: ___________________________ First Name: ___________________________

Degree Sought:
☐ M.S. (thesis)
☐ Ph.D.

Publication Requirement
Ph.D. degree – At least 1 journal or 2 peer-reviewed conference papers published or accepted for publication
M.S. (thesis) – At least 1 journal or peer-reviewed conference paper submission
M.S. (without thesis) – no publication requirement

Please complete this section with full citation for each published paper including title, authors list, name of the journal or conference, volume, and page numbers. For submitted papers, include as much of the above information as appropriate. Indicate if the work presented in the publication is part of the thesis/dissertation or not.
