Engineering Programs
Engineering has become increasingly diverse. It’s not just about building and designing things—it’s about building and designing environments where people can work, live, and thrive. We offer one of the broadest and most comprehensive engineering programs in the country, featuring 12 undergraduate programs.

- Aerospace
- Agricultural
- Biological Systems
- Chemical
- Civil/Environmental
- Computer
- Construction
- Electrical
- Industrial
- Materials
- Mechanical
- Software

Engineering Minors
- Bioengineering
- Engineering Studies
- Nondestructive Evaluation
- Nuclear

Check out all the potential engineering majors at ISU: www.eng.iastate.edu/prospective/fields.asp

Iowa State University does not discriminate on the basis of race, color, age, religion, national origin, sexual orientation, gender identity, sex, marital status, disability, or status as a U.S. veteran. Inquiries can be directed to the Director of Equal Opportunity and Diversity, 3080 Beardshear Hall, 515-294-7612. ECM 09192

E–APP was a really good experience. I was especially pleased that the program guided me to take only classes that would transfer to Iowa State. I also took advantage of cross-enrollment courses that allowed me to get my feet on the ISU campus and interact with professors and students.

— Andrew Smith
Junior, Agricultural and Biosystems Engineering

Develop an individualized transfer plan with your Iowa State adviser.

Be part of a growing social network.

Enjoy the Adventure.

Apply for APP through your community college adviser.
